February 2020

### *Ridge*

On February 12th, I had the pleasure to be a guest at the Cub Scout Pack 79 monthly meeting. We discussed a day in the life of a Councilman and how all levels of government operate. These young men are our future leaders and I couldn't be happier knowing that they are engaged and are passionate about making our community a better place for us all.

### *Middle Island*

Proud to once again meet with students of the Longwood Middle School 5th and 6th Grade Robotics Teams. These young folks took a tour of Town Hall and saw first hand where the next step after the discussion of their innovative ideas for the community, can be brought to and worked on with the professionals here at Town Hall.

### *Farmingville*

Joined by my brothers and sisters in the Ridge Fire Dept. of which I am a member, it was my honor to recognize a young hero who saved his mothers' life. We are very proud of Bobby D'Amato, for without his quick thinking, his mom may not have survived. Well done Bobby, and so glad to hear his mom is doing better.

### *Bellport*

Always happy to meet with constituents in my district, especially ones who work so hard to make a positive difference. Mr. and Mrs. Permenter stopped in to discuss partnering together for a project in Bellport. I was also proud to be part of this video advocating for peace, unity and supporting its positive message.
