

School Resources During the COVID-19 Health Crisis

NYS Governor Andrew Cuomo has closed all schools for the remainder of the 2019-2020 school year. Local school districts are continuing to provide educational and other resources to students through distance learning. Residents who have questions regarding learning resources, access to computers, meals for students, access to free WiFi or other questions should contact their local school district. Below is a list of school districts within the Town of Brookhaven with their phone numbers and links to their website:
