A MESSAGE FROM THE COUNCILMAN

Dear Friends,

I hope that this newsletter finds you and your family well, and you all are enjoying your Summer so far!

These last few months have been challenging for us all. Although COVID brought many changes to our daily routine, my office has been open and assisting the constituents of the Fourth Council District. My staff and I were proud to collaborate and assist with many different organizations in the community, to help deliver food to folks throughout the town. Our Senior Division was also providing daily meals to over 450 of our Seniors. The ability to help so many families, who needed this assistance during some very difficult times, was truly humbling. We look forward to continuing to serve the residents of the Fourth Council District as we have been and hope you will enjoy a few highlights from the last month featured in this newsletter.

As always, if you have any questions or concerns, please feel free to contact me directly at 631.451.6968. You can also follow us on facebook @**CouncilmanMichaelALoguercioJr.** for even more information.

Sincerely,

A handwritten signature in black ink that reads "Michael". The signature is written in a cursive, slightly slanted style.

Farmingville

Huge turnout at our Shredding Event at Brookhaven Town Hall on June 20th. We had over 260 people attend to shred documents, recycle e-waste and shed expired meds with our Suffolk Sheriffs Department. Thank you to all of our residents who utilized this service on that hot day!

Ridge

June 25th, I spoke at the Press Conference hosted by the Town, to share our outrage with NYS DOT and their determination to postpone the paving project of Coram Mt. Sinai Rd in Coram, to Wading River Manor Rd in Calverton. Joined by fellow electeds, civics of Ridge, Middle Is., Gordon Heights, Coram and Fire Depts from Ridge & Middle Is.

Yaphank

This vacant house at 259 Mill Rd was demolished, as the property was purchased for open space preservation by the Town. This 2.5 acre parcel lies within the LI Central Pines Barrens near the Carmens River and Upper Yaphank Lake and is surrounded by more than 200 acres of Brookhaven Town and Suffolk County owned open space.

Bellport

I happily joined my fellow elected to appeal to State and County officials, to allow small retail businesses to fully open immediately, putting in place the same rules that large, “big box” retailers and other businesses have been operating under. “All businesses are essential, especially those that are owned and operated by our friends and neighbors.”
