A MESSAGE FROM THE COUNCILMAN

Dear Friends,

I hope this newsletter finds you and your family well and you are staying cool during this hot weather. As always, my office is happy to continue to address the needs and concerns of residents within the Fourth Council District. Despite these very hot days, we are happy to see our residents are finding new and creative ways to enjoy time together.

As your Councilman, it is important to me that I advocate on the issues that are impacting you and your family. I appreciate all of the kind words and support given to myself and my staff, as we all try to navigate through these last few months. I hope you will enjoy a few highlights from the last month featured in this newsletter.

As always, if you have any questions or concerns, please feel free to contact me directly at my office at 631-451-6968. You can also follow us on facebook @**CouncilmanMichaelALoguercioJr.** for even more information.

Sincerely,

A handwritten signature in black ink that reads "Michael".

Brookhaven

Once again, I was proud to co-sponsor an emergency blood drive with the Brookhaven Fire Department and NY Blood Services. This was a successful event that helped us, to help others. Thank you to everyone who donated that day, as every donation can save up to three lives each.

Farmingville

Every Thursday from 12 Noon until 5pm, here at Town Hall, there is a wonderful Farmers Market that is for residents to buy products from local merchants. There are many different items such as fresh produce, baked goods, wine, flowers and homemade bath and body products that are available. Please come join and see what everyone is talking about!

Bellport

As a member of the Bellport Chamber of Commerce, I was happy to participate at the "Saturday Stroll in Bellport Village". This was a great event that helped to promote small businesses and encourage folks to shop locally. Even the heat that day couldn't stop people from shopping. Great job everyone!

Coram

As we continue to advocate for the paving of Route 25 (Middle Country Road), I was joined by Civics leaders from Coram, Ridge, Gordon Heights and Middle Island. I will continue to keep pushing for this job to be completed for the safety of all residents who traverse this road daily. Thank you to all who joined me that day.
