

KEVIN J. LAVALLE
COUNCILMAN, DISTRICT 3

Update!

A MESSAGE FROM THE COUNCILMAN

Dear Friends,

I hope you are staying safe and healthy through 2020. As your elected representative, I want to help make our neighborhood one in which we can take great pride. To do this I need your help. It is often through your action in alerting us to such matters that we can better serve you. Please bring me your concerns; Building code violations, waste management issues, Town service issues, etc. You are our eyes and ears in the community. These last few months have been difficult for many, but I hope you enjoy seeing some of the positive things that have happened here in District 3. If you have any questions or concerns, please feel free to contact my office.

KJL

SELDEN

I was happy to join the The Greater Middle Country Chamber of Commerce in welcoming The Neighbors Sports Grille and Wings to the community at their grand opening! Thank you to the Chamber for inviting me and allowing me to speak at the meeting, and best of luck to The Neighbors Sports Grille and Wings!

CENTEREACH

I had the privilege to speak to residents of the Centereach Civic Association and Selden Civic Association for a combined in-person meeting. It was great to see you all again and be given the opportunity to discuss what is going on in our community. Thank you to everyone who took time out of their night to attend.

RONKONKOMA

The Lake Ronkonkoma Improvement Group and the Lake Ronkonkoma Civic Organization have continued to hold cleanups at various locations around the lake and on portion road. It has been my pleasure to support these two groups in their cleanup efforts of the Lake Ronkonkoma area.

FARMINGVILLE

I joined the Supervisor and my colleagues on the Town Board in presenting certificates to the cleaning staff at Brookhaven Town Hall in honor of International Housekeeping & Environmental Services Week. Thank you to our entire cleaning staff for not only keeping our building clean, but also for increasing their disinfecting efforts to make our workspace safe.
