## A MESSAGE FROM THE COUNCILMAN

Dear Friends,

Happy Fall to you and your family! The colder weather is visiting us more frequently these days and before you know it we will be getting ready for winter.

As your Councilman, it is important to me that I continue to advocate on the issues that are impacting you and your family. I appreciate all of the emails and calls alerting us to the concerns you have and I am always happy to address them.

I, along with my staff, are out in the district daily making sure that we are responding to the needs of all of our residents. I look forward to hearing from you and hope you will enjoy a few highlights from the last few weeks featured in this newsletter.

As always, if you have any questions or concerns, please feel free to contact me directly at my office at 631-451-6968. You can also follow us on facebook @**CouncilmanMichaelALoguercioJr.** for even more information.

Sincerely,

A handwritten signature in black ink that reads "Michael".

## *Neighborhood News*

September 2020

### *Bellport*

Thank you once again to Bellport Village, for a very touching 9/11 Ceremony in remembrance of those we lost and continue to see impacted by this terrible event. Special thank you to Bellport Fire Dept., South Country Ambulance Co. and the residents who attended.

### *Ridge*

Very happy to show our support to a local business in our community. Dunkin' Donuts on Middle Country Rd in Ridge, held a 'Welcome Back' event, to show their appreciation to the residents in the community. These events are a great way for the owners to get to know the folks who live locally and visit their establishment.

### *Patchogue*

As liaison of the Brookhaven Town Hispanic Heritage Advisory Board, the Councilman had the honor of recognizing several business owners throughout the town, that have been both great business partners and community advocates. We appreciate their perseverance in having a positive impact in our communities.

### *Middle Island*

Councilman joined by fellow elected and community leaders at the M.I. Civic Gold Star Family Recognition ceremony. As a Gold Star family member, he is all too familiar with the impact that the loss of a loved one has on a family. Every year he attends to remind us all how important it is that we honor those who gave their lives for our freedoms.
