COUNCILMAN, DISTRICT 3

Update!

A MESSAGE FROM THE COUNCILMAN

Dear Friends,

I hope you are all staying safe and healthy as 2021 begins. As your elected representative, I want to help make our neighborhood one in which we can take great pride. To do this I need your help. It is often through your action in alerting us to such matters that we can better serve you. Please bring me your concerns; Building code violations, waste management issues, Town service issues, etc. You are our eyes and ears in the community. These past few months have been difficult for many, but I hope you enjoy seeing some of the positive things that have happened here in Council District 3. If you have any questions or concerns, please feel free to contact my office.

SELDEN

I spoke at the Selden and Centereach combined civic meeting this month at the Selden Fire Department. Meetings in 2021 look a little different with a combination of both in-person and virtual presentations. It's easier than ever to get involved and stay informed!

CENTEREACH

I had the honor of swearing in Centereach Fire District's newest commissioner, Bill Gardner. I want to wish Bill and all of the elected officers congratulations and best of luck in the years to come!

RONKONKOMA

I was privileged to attend another ribbon cutting on Portion Road in Ronkonkoma. Super Greek specializes in gyro bowls and other Greek classics while providing their own twist to Greek street food. Congratulations on your grand opening and best of luck with your new business!

FARMINGVILLE

I had the opportunity to swear in some of the new board members of the Farmingville Hills Chamber of Commerce and discuss some upcoming projects in the area on their virtual meeting. Thank you to the chamber for asking me to swear in their officers and for all your organization does to promote and support business in the Farmingville area.
