

Town of Brookhaven Pollution Prevention Passport Program

The Pollution Prevention Passport is your special document of travel to the Town's parks and beaches. It is designed to help residents explore the great outdoors and use the passport to document the wildlife they observe, litter they remove and list the environmentally friendly choices they made that day. After filling in as many pages as possible in the passport, it can be submitted to the Town for a "STAMP of Stewardship." This will certify you as an environmental steward and true advocate for our planet.

Please visit brookhavenny.gov/passport to download and print a copy of the passport at home and find out more information about the program. Ensuring the health of our environment is vital to the well-being of all the plants, animals and people that call Brookhaven home. By participating in this program, your efforts will truly make a difference in Brookhaven Town.

Supervisor Edward P. Romaine
