

Fall Nature Programs 2021

It doesn't have to be summer to enjoy the beach!

Junior Environmental Stewards (ages 11+)

Monarch Butterfly Programs

This fall the stewards will concentrate on encouraging the lifecycle and migration of the Monarch Butterfly. Everything from propagating milkweed, planting a nectar rich butterfly garden, and helping to monitor related species. Program details to be determined.

October 9 & November 6

West Meadow Beach- meet at Pavilion at 10 a.m.

Cedar Beach- meet at Nature Center 2 p.m.

Nature Walks

Join us for a guided walk along the beach and trail. We will explore and experience the unique ecosystems and varying habitats as the seasons change. Binoculars and comfortable shoes are recommended.

October 23

West Meadow Beach- meet at Pavilion at 10 a.m.

Cedar Beach- meet at Nature Center 2 p.m.

Growing Up Wild (ages 3-6)

October 30- Parents and Grandparents are invited to join us in celebrating Halloween as we explore nature with our 5 senses. Mysterious creatures are scary so let's learn about them together!

November 20- Leaves and trees and what happens to the honeybees. This class will discuss how species of all kinds prepare for the winter months.

Cedar Beach Nature Center

10 a.m. & 2 p.m.

All programs are **FREE!** Registration is required.

E-mail npocchiare@brookhavenny.gov to make your reservation.

Please provide your name, phone number, and number of people, with ages of children.

All children must be accompanied by a parent or guardian.

Registrants will be contacted if cancellation due to inclement weather.

Save the Sea Turtles

Webinar

The *Atlantic Marine Conservation Society* will conduct this class about marine conservation and the importance of saving cold stunned sea turtles. As the water temperature decreases these cold-blooded animals freeze up and could use a helping hand for survival.

The class is a mandatory first step for participation in the *Save the Sea Turtles Volunteer Watch Program*, however, attending this amazing educational opportunity does not obligate you to volunteer.

Email for details & registration: npocchiare@brookhavenny.gov

October 14- 6:30pm

Volunteer Walk & Watch

Help save the life of a sea turtle. It's ***a walk on the beach!***

The *Atlantic Marine Conservation Society* will take us out on the first *Walk & Watch* to teach us what to do if finding a stranded turtle or other stranded marine animal. We will also pick up debris that can harm marine life and animals living on the shoreline. At the start of each group walk there will be a sign-up sheet for weekly *Walk & Watch* timeslots.

Please know your availability or have your calendar handy.

October 16

West Meadow Beach- meet at Pavilion at 10 a.m.

Cedar Beach- meet at Nature Center 2 p.m.

All programs are **FREE!** Registration is required.
