**Farmingville, NY** – On May 22, Councilwoman Jane Bonner (third photo at right) joined volunteers from the Coastal Steward Long Island (third photo) and the Ward Melville High School Fishing Club (first photo) to clean up the Town of Brookhaven right of way at Landing Road in Miller Place. The two groups removed 7720 lbs. of debris which was carted away by the Town's Department of Recycling and Sustainable Materials Management. Pictured to the left of Councilwoman Bonner is Coastal Steward Long Island Treasurer Mark Campo, who helped to organize the clean-up.

Councilwoman Bonner said, "Our North Shore beaches are some of the most beautiful on Long Island and I thank the volunteers who took the time to help clean up in anticipation of the summer season. Their concern for the environment sets a great example for all others to follow."
