**Farmingville, NY** – On September 17, Councilwoman Jane Bonner (front row, fourth from right) stopped by the Rocky Point Ale House Bike Social to thank the Axemen MC NY-3 for their efforts to raise money for special needs children of New York City Fire Department (FDNY) members. The event was held in support of the Kids Connect Program operated by the FDNY Counseling Service Unit. The bikers started the day at the Town of Hempstead West Marina in Point Lookout and rode 65 miles to Rocky Point.

Councilwoman Bonner said, "These firefighters are on the job saving lives every day, but they still find time on the weekend to help children in need. I cannot thank them enough for all they do and I am very happy to support this very worthy cause."
