

Town of Brookhaven Long Island

Jonathan Kornreich
Councilmember, 1st District

Welcome to the Council District 1 Community Service Platform. I am thrilled to announce the launch of this platform, designed to connect residents with a wide range of volunteer opportunities within our district. Done in partnership with the Three Village Dads Foundation, we created this database to help residents find meaningful ways to give back to the community. We encourage everyone to use this resource as a way to find an activity or organization that they may want to take part in, helping them to stay connected and involved.

Special thanks to all the organizations that have worked together with us on building this database. If you're an organizer or a representative of a local organization that would like to be a part of the database, we encourage you to reach out to our office at 631-451-6963 or email us at CD1@BrookhavenNY.Gov. We look forward to working together to make our community the best it can be!

Sincerely,

Jonathan Kornreich
Councilmember, Council District 1
