Farmingville, NY – On June 7, Councilwoman Jane Bonner took the opportunity to personally thank students at the Joseph A. Edgar Intermediate School for their participation in Brookhaven Town's annual Recycle Bin Art Project, sponsored by the Town's Waste Management Department. Participants were asked to paint recycle bins in an effort to encourage recycling throughout the Town, specifically at the parks where they will be placed adjacent to garbage cans.

Councilwoman Bonner said, "The students in Mr. West's art class did such a beautiful job painting the recycle bin. I am very impressed by their enthusiasm for recycling and how much they care about protecting the environment. It seems that the future of planet Earth is in good hands."
