Farmingville, NY – On February 26, Councilwoman Jane Bonner attended the dedication ceremony to welcome Rocky Point residents Tom and Susan Sullivan back to their “extreme makeover” house thanks to Habitat for Humanity Suffolk. Mr. Sullivan is a veteran and original member of the popular vocal group, Johnny Maestro and the Brooklyn Bridge. His home suffered severe damage during Superstorm Sandy. Veterans from American Legion Smith-Weaver Post 651 of Sayville volunteered their time to do much of the work. The reconstruction was started in October of 2015.

“Projects like this prove time and again how well the community comes together to help their neighbors in need,” said Councilwoman Bonner. “Thanks to Habitat for Humanity and the all the veterans who volunteered, Tom and Susan can get themselves back on their

feet again. I wish them many happy years in their beautiful, new home.”
