**Farmingville, NY** - On April 22, Councilwoman Jane Bonner attended the 2015 Annual Taste of Long Island hosted by the Rocky Point Lion's Club. During the event, which was held at East Wind Caterers in Wading River, the Councilwoman presented a Certificate of Congratulations to the evening's honoree, Kara Patrovic, a senior at Miller Place High School, for the work she has done with the not-for-profit organization that she founded, Kara2Mijael. The organization helps the needy people of a village in Bolivia where she has been sponsoring a little boy, Mijael, since she was 9 years old. Kara has provided toys, supplies, clothes, and funding for the construction of 5 clean water wells to the people of the village.

"I get to meet so many extraordinary young people and Kara is certainly one who stands out among the rest," said Councilwoman Bonner. "I commend her for the great work she does to help improve the quality of life for those who

are less fortunate. She is a wonderful young lady who serves as a great example for others to follow"
