"These scholarship winners are all bright young students who are such positive role models for their peers," said Councilwoman Bonner. "I commend their dedication to learning and community service and I wish them the best of luck in the future."

Councilwoman Cartright said, "I am proud of each scholarship winner. Council District 1 is fortunate to have one of its residents, Ms. Dembek, receive this award. It is well deserved, as she has shown her dedication to her community and has raised funds for cancer research."
