Farmingville, NY - Councilwoman Jane Bonner (right) attended the Sound Beach Civic Association's Second Annual Pet Adopt-A-Thon held on September 21 at the Hartlin Inn parking lot in Sound Beach. During the event, residents had the opportunity to meet adoptable pets from various different rescue groups and shelters. Councilwoman Bonner also honored the association with a certificate of appreciation presented to Sound Beach Civic President Bea Ruberto (left).

"The Sound Beach Civic Association does so much in the community and the Adopt-A-Thon is one of my favorite events," said Councilwoman Bonner. "Companion animals need to be in a home as part of a loving family and I commend the association for helping to make it happen for so many lovely pets."
