Farmingville, NY - On Sunday, October 7, Councilwoman Jane Bonner and Assemblyman Dan Losquadro attended the Troop 204 Eagle Scout Court of Honor at Miller Place High School. The four scouts who were honored for meeting the qualifications and achieving the rank of Eagle Scout were Dean Zeffer, Christopher Argento, David Yonks and Kyle Matura.

"The scouts that we honor tonight represent the very best of our younger generation," said Councilwoman Bonner, "I thank each of them for their dedication, commitment and service to the community and I also commend their parents for the support they give to these exceptional young people. They are the leaders of tomorrow, and from those I have met tonight, I can say confidently that our future is in good hands."

"These young men are mature beyond their years in realizing how important it is to be involved with giving back to their communities," Assemblyman Losquadro said. "Becoming an Eagle Scout is not easy and these young men have developed a sense of commitment and follow-through that will help them continue to achieve great success."

Achieving Eagle Scout rank is the culmination of many years of service. A tremendous amount of work and commitment goes into each individual scouting project. The goal of a scout's project is to fulfill a need within the individual scout's community, create positive change, and inspire their fellow scouts to achieve their own personal goals. Since the first Eagle Scout Award was presented in 1912, no more than 4 percent of all Scouts have attained the Eagle Scout rank.
