**Farmingville, NY** – Brookhaven Town Highway Superintendent Daniel P. Losquadro joined with Councilman Kevin LaValle to announce the completion of a large-scale, 23-road paving project in the vicinity of Centereach High School and Dawnwood Middle School.

In addition to the replacement of 4,100 square feet of aprons and 2,700 linear feet of curb, this project included tree trimming, replacing area signs and guide rails, the addition of handicap ramps at the existing crosswalk across from the middle school, milling and paving. The total cost for this project was \$1.4 million.

"This was an extensive paving project that addressed the concerns of area residents, motorists, pedestrians and bicyclists, as well as faculty and students in the Middle Country School District," said Superintendent Losquadro. "I am grateful that we were able to schedule and successfully complete this project during the summer, to avoid unnecessary disruption once school resumes next month."

Roads paved during this project include: 43rd Street, 57th Street, Arlene Court, Dawn Drive, Dusk Drive, Edwin Street, Forest Court, Forest Road, Irene Court, Kerry Court, Linda Drive, Linden Street, Market Street, Martha Street, Michael Court, Middy Drive, Morning Drive, Nikki Court, Noel Drive, Peggy Court, Stanley Drive, Sunset Drive, and Vining Street.

"I thank Superintendent Dan Losquadro and the hard-working men and women of the Highway Department for working diligently in such high temperatures over the past couple of weeks," said Councilman Kevin LaValle. "It was important to ensure the completion of this project occurred prior to school beginning next month. I am happy to see this project completed which positively affects the entire Centereach community."
