Farmingville, NY – On April 16 Councilman Kevin LaValle hosted the first "3 in 1" recycling event of the year in Council District 3 in partnership with the Town of Brookhaven's Waste Management Department. During the event, which was held at the Sachem Public Library, a record breaking 14,950 lbs of paper was collected from over 420 cars. The Town also collected nearly 20 full boxes of pharmaceuticals, and a large amount of electronics for recycling.

Councilman LaValle said, "This event has grown more popular every year we do it. I'd like to thank all the Town of Brookhaven residents who stopped by and for doing their part to help protect the environment by recycling."

The next "3 in 1" recycling event in Council District 3 will be held on Saturday, September 10 from 9:00 am to 1:00 pm at the Middle Country Public Library, 101 Eastwood Blvd. in Centereach. For more information, call 451-TOWN (8696) or visit www.brookhaven.org.
