MILLER PLACE, NY - Brookhaven Town Councilwoman Jane Bonner recently joined Suffolk county Legislator Daniel Losquadro and members of the Miller Place Community in welcoming Marshalls Department Store to their new location on Route 25A in Miller Place.

"A store like Marshalls is a great addition to our community," said Councilwoman Bonner. "With a strong anchor tenant in this shopping center like Marshalls, the surrounding small business will benefit from increased customer traffic, helping them to survive and thrive in this economic climate."
