

Councilwoman Bonner Secures Grant for Coastal Steward Cleanup of Cedar Beach

posted on 5/26/2009 8:40:17 AM

BROOKHAVEN, NY - Brookhaven Town Councilwoman Jane Bonner recently joined Coastal Steward Dave Johnson and community volunteers for a cleanup of Cedar Beach in Mount Sinai. Councilwoman Bonner helped secure a \$10,000 grant from National Grid for the Coastal Steward to fund the beach cleanup, as well as re-seeding of the beachfront, and other habitat restoration projects. For the past 19 years, the Coastal Steward has organized beach cleanups, with great success here in Brookhaven. Through the Coastal Steward's efforts, over 180 tons of debris being documented and removed from our beaches - significantly improving the habitat of Piping Plovers, Horseshoe Crabs and other local marine life. Pictured at the beach cleanup in Cedar Beach are (l. to r) National Grid Representative Jean Tesoriero, Coastal Steward Dave Johnson and Councilwoman Jane Bonner
