Farmingville, NY – On June 21, Councilwoman Valerie M. Cartright joined residents and staff members of the Emma S. Clark Memorial Library for the re-installation of their Little Free Library kiosk, located in the pavilion at West Meadow Beach in Stony Brook. The Little Free Library, a charming handmade kiosk filled with books for borrowing, is back at its summer home.

"This library is a wonderful annual addition to West Meadow Beach. Many thanks to our student volunteers and dedicated staff of the library for providing residents with so many summer reading options across our community," said Councilwoman Cartright.
