Farmingville, NY - On August 5, Councilwoman Valerie M. Cartright joined the Three Village Chamber of Commerce at West Meadow Beach for their 16th Annual BBQ. The annual event features a barbeque dinner and refreshments, family-friendly games and crafts, music and dancing. Chamber members also provided items and gift certificates from their local businesses as raffle prizes. The event was a great success with hundreds of attendees and participating chamber members.

"Events that connect our community with local businesses and services on a social level are extremely important," commented Councilwoman Cartright. "I appreciate all that the chamber does for the Three Village area. I look forward to continuing to support our local businesses and I would like to thank all of the sponsors of this event."
