Farmingville, NY - On Thursday, February 27 at 6:00 pm, Councilman Kevin LaValle will host a Public Forum to give residents the opportunity to learn more about the proposed Selden Dog Park. The 3.09 acre property that the dog park would occupy alongside an existing Town park, is located between Boyle Road and Corvair. The forum will be held at the Middle Country Library, 575 Middle Country Road in Selden. For more information, call 631-451-6647.

Councilman LaValle said, "It's important that residents get all the information that they can before the Town Board considers approving a dog park in their neighborhood. I look forward to meeting with the community and hearing what they have to say."

Also attending the Public Forum will be Ashley Boyd, the Director of the Town of Brookhaven Animal Shelter. She will provide information about the shelter and introduce one of the many dogs that are currently available for adoption.
