Farmingville, NY - On April 17, Supervisor Ed Romaine (left) and Councilman Kevin LaValle (right) presented a proclamation to President and Chief Executive Officer of Bethpage Federal Credit Union, Wayne Groose (center). The proclamation was in recognition of the grand opening of their new branch location in Centereach.

"I am happy to welcome a new branch of Bethpage Federal Credit Union to Brookhaven Town," said Supervisor Romaine. "The company is known for their customer service, but just as important is their record of service to the communities that they are in."

Councilman LaValle said, "I thank Mr. Groose and Bethpage Federal Credit Union for choosing Centereach as the location of their newest branch. It means more convenience for the residents who bank there and more jobs in the community."
