**Farmingville, NY** - On April 26, Councilman Kevin LaValle attended opening day ceremonies for the Middle Country Youth Association Little League held at their fields in Selden. Dozens of children from the community turned out for the event to kick off their baseball season in leagues ranging from tee-ball to major league. Councilman LaValle said, "After the harsh winter we had, it's great to hear the words 'play ball' on opening day. As a former little leaguer myself, this day brings back such fond memories and I wish all the players a fun and successful season."
