Farmingville, NY - On May 19, Supervisor Ed Romaine and Councilwoman Valerie M. Cartright joined Executive Director Devon Daniels and local students to accept a donation of exercise equipment from Met-Rx at the Boys & Girls Club of Suffolk County in Port Jefferson Station located at 324 Jayne Blvd. The Supervisor and Councilwoman presented Met-Rx with a Certificate of Appreciation on behalf of the Town of Brookhaven.

Supervisor Romaine said, "I want to thank Met-Rx for their generous donation. The Boys & Girls Club does wonderful work to enable young people to reach their full potential as productive, caring, responsible citizens. Providing this equipment will help them in this mission, and it will be enjoyed by the young people of our community."

"It is encouraging to see the Boys & Girls Club of Suffolk County working diligently to provide the children of our community with the tools necessary to enjoy a healthy lifestyle," commented Councilwoman Cartright. "I would like to extend a special thanks to Met-Rx and NBTY for their generosity, and to Executive Director Devon Daniels and our younger community members for including me today."

"This donation will further advance our programs that promote healthy lifestyles among children. We are excited to partner with Met-Rx and the Town of Brookhaven," said Executive Director Devon Daniels. "I thank Town Supervisor Ed Romaine and Councilwoman Cartright for their support of our programs."
