Farmingville, NY - On June 4, Councilman Dan Panico attended Transportation Employee Appreciation Day at the Coram Yard on Old Town Road, stating that "he was proud to be a part of the day."

For hours on end, transportation drivers manage to maintain a schedule, check fares, give directions, remember and announce stop requests and more - while safely maneuvering an extra-large vehicle through unpredictable traffic, adverse weather conditions and some tight spaces. Transportation Employee Appreciation Day presents an opportunity to recognize them for the hard work they do.

"The drivers who get our children to school have no easy job and it was nice to be able to recognize them today, along with the other transportation drivers." said Councilman Panico.
