Farmingville, NY – On May 27, Councilman Michael Loguercio visited the Middle Island Caring for Kids Center at the City on a Hill Church in Middle Island and the Boys & Girls Club of Bellport to thank the children who participated in the Town of Brookhaven's Recycle Bin Project. They worked together to decorate 55 gallon drums with a recycling theme which will be placed in town parks and used as recycling receptacles.

"It's very important for the environment and community that everyone does their part to recycle," said Councilman Loguercio. "The children did a great job painting the bins and I thank all of them for their commitment to making Brookhaven a cleaner, greener place to live."
