

Town Launches Coffee Grounds for Compost Recycling Program

posted on 9/26/2017 2:44:00 PM

Farmingville, NY – On September 25, Supervisor Ed Romaine and members of the Town Board visited ACE Coffee Co. in Patchogue, a small local business that specializes in coffee bean roasting and packaged artisanal cold brew coffee. The company is participating in the Town's program to recycle spent coffee grounds for re-use in composting. The grounds are picked up by the Town and brought to Hamlet Organic Garden (HOG), located in Brookhaven hamlet that produces organic vegetables, herbs and flowers.

Pictured left to right are Supervisor Romaine; Ace Coffee Co. owner Brian Lentini; Councilman Dan Panico; Councilman Neil Foley and Councilman Michael Loguercio.
