Farmingville, NY - In recognition of Arbor Day, Supervisor Ed Romaine and Councilman Neil Foley will launch the Supervisor's "Greening Brookhaven" initiative by distributing 2,200 tree seedlings free of charge to Brookhaven residents. The goal of the initiative is to distribute and plant 10,000 trees by 2020, the same goal date for the Supervisor's Green Energy & Sustainability initiative for Town facilities announced in his 2015 State of the Town Address. Civic leaders, residents, Boy and Girl Scouts, school groups and more are expected to attend this event to pick up their free seedlings. The trees will be distributed on a first come, first served basis.

Next week, tree seedlings will also be available at various Town locations.
