## ***Mastic Ambulance Applauds Effort***

**Mastic, N.Y.** - On April 24, 2012, Councilman Dan Panico, Chief Bill Dovale, and Members of the Mastic Ambulance Company observed Town of Brookhaven Waste Management Department remove the blighted structure located on Montauk Highway. The Town of Brookhaven condemned the building next to the current Mastic Ambulance Headquarters to make way for the much needed future expansion.

"Councilman Panico has consistently been there for the Mastic Ambulance Company and the communities he represents." stated Chief Bill Dovale. "I consider Councilman Panico to be much more than an outstanding elected official, I consider him to be an outstanding advocate and role model for the people he represents."

"The removal of this blighted structure serves many purposes in our community. Namely it removes an unsightly attractive nuisance, but in addition allows for the future expansion of an ambulance company that faithfully serves," said Councilman Dan Panico.
