**Farmingville, NY** - At a recent Town Board meeting, Supervisor Mark Lesko and the Town Board voted to adopt a resolution sponsored by Councilman Dan Panico to enter into an Inter-Municipal Agreement (IMA) with Mastic Beach Village to purchase fuel through the Town's Vehicle Information Transmitter System. The IMA will allow the Village to purchase fuel at Brookhaven Town's Calabro Airport which will be paid for by the Village and billed direct from the fuel retailer.

"Entering into this IMA will result in a cost savings for the taxpayers of Brookhaven Town and Mastic Beach Village," said Supervisor Lesko, "I am happy that both municipalities are working well together as the transition for the Village proceeds and I look forward to our continued cooperation."

"As I have been doing for months, I am happy to work with the Village of Mastic Beach in any manner I can to facilitate the transition and cooperation between our municipalities," commented Brookhaven Town Councilman Dan Panico. "This latest resolution that I sponsored is another positive step in that direction and I am pleased that the Supervisor and Town Board supported me in these efforts."
