Farmingville, NY - On Sunday, June 5, Brookhaven Town Councilman Dan Panico attended the Mastic Sports Kyle Sports for Special Needs Fundraiser to support the inclusion sports programs run by Debbie Metz, Director of Special Needs for the Mastic Sports Clubs.

"It was my honor to spend a portion of the day with such wonderful people who give of themselves for the benefit of children," commented Brookhaven Town Councilman Dan Panico. "Among the goals of these programs is to socialize and empower these incredible children to overcome any disability to enjoy their lives to the fullest. They are truly an inspiration to us all and now have a new recently created playground that I worked hard to bring to fruition for them to all enjoy at the Moriches Athletic Complex."
