Councilman Dan Panico and MBPOA President Bob DeBona

Farmingville, NY - Councilman Dan Panico, in concert with the efforts of the Building and Law Divisions of the Town of Brookhaven, was able to secure the removal of another blight in the Mastic Beach community. The house at 183 Woodland Drive in Mastic Beach that was fire damaged was finally demolished. The property is being cleaned up by the owner at no cost to the town and the taxpayers.

"The removal of this structure marks the beginning of an effort to remove such unsightly and unsafe structures in the community. I am very thankful for the work of our building and law inspectors as well as the excellent work done by the Town Attorney's office." said Daniel J. Panico, Councilman Sixth Council District. "By working together with the community we will continue to improve the quality of life in the district."
