Farmingville, NY - On June 17, Supervisor Ed Romaine (right) joined Dr. Steven Cohen, Superintendent of the Shoreham-Wading School District (left) and Miller Avenue School Principal Louis Parrinello (center) to help bury a time capsule to celebrate the school's 50th anniversary.

"So much history has passed since Miller Avenue School opened in 1963," said Supervisor Romaine. "We've been to the Moon and back, have had 10 presidents and technology has put the world in the palm of our hands with smart phones. For the students who attend this school today, the future is full of possibilities and the opportunity to make the world a better place to live."
