RE: Town of Brookhaven's Wetlands Permit # _____

Applicant's Name: _____

Current Address: _____

Building Permit #: _____

Pursuant to conditions established in the above permit, the authorized activity is now complete and requires an inspection prior to the Building Department's issuance of a Certificate of Occupancy, Zoning Compliance or Existing Use.

As required by the above referenced permit, the following is submitted with this request (please check):

- 1. Pictures of all structures built under this permit.
- 2. Three copies of a final survey, which depict the actual condition of the project site on the date of the final survey, indicating all existing structures. This final survey must ***both record in words and illustrate**** the natural or vegetated buffer areas as required by conditions of the permit and all restrictions as applicable to the project site such as limits of clearing and/or disturbance, areas of fertilizer dependent vegetation, location of drywells, height restrictions and areas of revegetation as set forth by the permit.
- 3. Copy of the Building Permit.
- 4. Fees:
 - a. Final Inspection: \$110.77
 - b. Re-Inspection : \$221.52

Please note: Changes made to the structures such as size, location and orientation may require the amendment of the original permit. Significant changes or work done in violation of an issued permit will require the issuance of a Notice of Violation and/or additional fines.

Thank you for your attention to this matter.
