Farmingville, NY - Supervisor Ed Romaine was on-hand at Town Hall to accept school supplies donated by members of the Suffolk County Association of Municipal Employees (SCAME) that were dropped off at their headquarters in Bohemia. During the month of August, the Town sponsored the INTERFACE Back to School Supply Drive and provided drop off bins at various locations throughout Brookhaven. The SCAME members delivered hundreds of items including pens, backpacks, notebooks, lunch boxes, folders, glue, binders and more. The supplies will be distributed to needy families who might otherwise not be able to provide them to their children before school begins. "The SCAME is a wonderful organization that always steps up to help those in need," said Supervisor Romaine. "Thanks to their generosity and the help of many Brookhaven Town employees and residents, so many children will start the school year with all the proper supplies."
