**Farmingville, NY** - On May 16, Supervisor Ed Romaine and Councilwoman Connie Kepernt joined volunteers from the Middle Island Civic Association and members of Cub Scout Troop 625 to lend a helping hand in cleaning up Middle Island. The event was organized as part of the 8th Annual Great Brookhaven Clean Up which is part of a national effort where community members from across America come together to pick up litter, clean miles of roadways, and beautify parks, rivers, and seashores. The civic association has participated in the event since it first began and this year, their membership dedicated themselves to cleaning up Middle Country Road across from the King Kullen Shopping Center.

"Middle Country residents take great pride in their community all year round and especially during the Great Brookhaven Clean Up. I thank all the volunteers who came out on a rainy day to help make Brookhaven a cleaner place to live."

"Thank you to all of the volunteers who participated in this year's Great Brookhaven Clean Up, rain or shine," said Councilwoman Connie Kepernt. "This annual event is always a great success due to the efforts of devoted community members who have dedicated themselves to keeping Brookhaven clean."
