Farmingville, NY - On July 29, Supervisor Ed Romaine (pictured) visited the Faith Baptist Church's Youth Awareness, Inc.'s Freedom School Literacy Program in Coram where he read to the children. This literacy based program is geared towards children ranging from kindergarten through second grade. The message he conveyed to the children through the story he read is that through hard work and dedication you can achieve anything in life.

"This program is a great way to keep a child's mind sharp during summer vacation," said Supervisor Romaine. "We should encourage children to read more because it is so important to their success in school and social development."
