**Farmingville, NY** – On October 7, Supervisor Ed Romaine and Councilman Kevin LaValle attended the Grand Opening ceremony of The Bristal at Lake Grove, an assisted living community built by the Engel Burman Group located at 2995 Middle Country Road. This facility will meet the growing needs of the region's aging population that insists on enhancing their quality of life while remaining close to their families and loved ones during their retirement years.

The Bristal at Lake Grove has 76 assisted living suites, and 60 additional suites in the reflection area which is dedicated to providing care for residents with Alzheimer's and other memory impairments. It offers activities for residents based on their personal preferences, hobbies, and interests. Programs include arts and crafts, book clubs, shopping trips, and regularly scheduled cultural outings. The facility also offers a cinema, library, billiards parlor, and a fitness center.
