Farmingville, NY – On June 21, Supervisor Ed Romaine (left) and Councilman Dan Panico (back row, third from left) were on hand with Center Moriches school officials, board members and local sports organizations for the ground breaking of the Town’s new multipurpose athletic field in Center Moriches. The synthetic turf field will accommodate football, lacrosse and soccer, and it will be lit using energy-efficient, LED “dark skies” compliant fixtures that reduce light pollution. The new field, which will be completed this fall, is located adjacent to the Town’s Moriches Bay Recreation Center on Frowein Road.
